

## WHO'S THE COWBOY PROVES WHO'S GOT THE POWER

We are going to use the First Race at Aqueduct on December 30<sup>th</sup> 2010 6 Furlongs CLM Purse \$28k as a teaching example on how to use our HUP and PT Ratings to pick good paying winners like WHO'S THE COWBOY who paid \$18.00 to win every day. We'll start with our HUP Ratings which shows us who's got the pace power from a Horizontal Point of View.

What do these figures mean. Listed is the horse's name, number of days since that race was run, track condition, track, distance. Surface and class (that 0.8 means the horse is taking a huge drop according to our class evaluations). Then we give you the HUP Pace Power Ratings. On the left of the : is what the race asked for at that point of call and to the right of the : is what the horse gave in response.

It is easy to spot at a glance that WHO'S THE COWBOY demonstrated a very powerful late kick THE STRONGEST OF ALL THE HORSES IN THIS FIELD BY FAR. The race demanded 22 points and he gave 24 in response. With 20 points being PAR in our HUP system 24 POINTS IS FAST. Therefore, the huge drop in class from his last race and that powerful 24 point last call in that 2<sup>nd</sup> race back MAKES THIS HORSE A GO TODAY FOR A STRONG WIN BET. BUT what about those early speed 30:30 and 28:28s from FL and PHA. WELL FACT IS when playing the NYRA circuit it's the figures that are earned on the NYRA circuit that count above all else. Many of the out of town tracks show strong early speed at home and then do nothing when shipping in to NY. For the most part I ignore them.

NOW LETS SEE IF OUR PACE TREND SYSTEM CONFIRMS THAT POWERFUL LATE KICK FROM A VERTICAL POINT OF VIEW. HERE ARE THE RATINGS FOR PACE TREND. When I find a horse with Strong Late

Speed HUP wise I check one Pace Trend Column Only. THE FORWARD MOTION COLUMN. Here's what that Forward Motion Column looked like for this race.

HORSE	FWD-MTN-RATING
	Last 3 Races
WHOSE THE COWBOY	0 14 9
BROKEN HOME	3 5 0
CIRES	8 0 1
THE ZIPSTER	8 0 4
BOSTON CHIEF	0 0 0
B B FRANK	0 10 0

LATE SPEED FOR WHO'S THE COWBOY IS CONFIRMED WITH THAT 14 POINT FWD MTN FIGURE 2<sup>ND</sup> RACE BACK AND IF YOU WANT TO PLAY THE EXOTICS HERE'S A POWERFUL ANGLE. TAKE THE STRONGEST HUP HORSE AND USE FOR 2<sup>ND</sup> AND 3<sup>RD</sup> THE HORSES WHO HAVE THE BEST FORWARD MOTION IN THEIR LAST RACE. THEY'LL ALL BE FLYING AT THE FINISH.

AND HERE'S THE OUTCOME: WHO'S THE COWBOY WON PAYING \$18.00  
THE ZIPSTER CAME IN SECOND and THE EXACTA PAID \$73.50.  
CIRES CAME IN THIRD and THE TRIFECTA PAID \$415.00
